## Course Overview

OFFICIAL AUTODESK TRAINING COURSE

# AutoCAD Architecture 2011/2012

## - Essentials

### Description

**AutoCAD Architecture** is "AutoCAD optimised for architecture". In addition to all the standard **AutoCAD tools**, it offers a host of features to greatly increase the speed and efficiency of architectural drawings. The software is designed to work from first concept (conceptual design or mass model) all the way through to design development, working drawings, and facility maintenance.
