Course Overview

OFFICIAL AUTODESK EXPERT

Autodesk 3ds Max Design 2010-2012

- Bespoke: Character Animation

Description

This course is designed by our own T2 Autodesk Instructor as a comprehensive overview of Character Animation within **3ds Max Design**. This course teaches you from scratch how to create characters and how to animate them. The day is quite intensive, but you will leave with knowledge that will help enhance your career, working towards becoming an animator.
