Course Overview

OFFICIAL AUTODESK EXPERT

AutoCAD & AutoCAD LT 2010 - 2012

- *Bespoke: Project Support*

Description

This option is designed to help you and your team with your **AutoCAD** projects. We cater for a wide range of subject content and assist in developing the best delivery method and technology to suit your exact needs. We do this by assigning one of our core team members to you and your project. Each one of our core team members specialise in different market sectors ensuring you get the right skills required for your project.
